OVEN KLEEN

Heavy Duty Aircraft Oven Cleaner

Code AR0006540

DESCRIPTION

Oven Kleen is a non-flammable heavy-duty aircraft oven cleaner. It is specifically formulated to remove tough burnt on grease and grime fast. Oven Kleen can effectively clean warm or cold ovens in as little as 5 minutes, allowing for reduced cleaning time.

FEATURES & BENEFITS

- Easy to use spray foam technology, adheres to vertical surfaces
- Effectively cleans aircraft ovens, roasters and grills
- Removes tough grease and grime, no scrubbing required
- EU compliant gas formulation
- Non-flammable aerosol
- Dissolves fats by turning them into soluble soaps

DIRECTIONS FOR USE

For Spot Cleaning:

- Spray on cold oven from a 20cm distance
- Allow to stand for 30 seconds
- Wipe clean with a wet sponge or cloth

For Heavy Duty Cleaning:

1. Preheat the oven at 70°C for a few minutes and turn off. Wait 10 minutes
2. Shake the aerosol can well then spray evenly, in thin layers about 10cm from the walls
3. Leave product for at least 5 minutes for best cleaning results
4. Rinse with a damp sponge, then wipe off with a dry cloth
5. Repeat the operation for stubborn stains if necessary
6. After use, carefully rinse the spray actuator without removing it from the aerosol can
