

## TECHNICAL DATA SHEET

# SOLVEX ECC

### *For Electrical and Electronics*

#### DESCRIPTION

Callington Solvex ECC is a unique combination of solvents blend free from CFC's, silicones or other chlorinated solvents. Solvex ECC is suitable for cleaning oil, dirt, flux and other contaminants from delicate and precision components. It is formulated with low odour that leaves no residue behind.

#### FEATURES & BENEFITS

- Suitable to clean electrical contactors
- Safe to use on plastics
- Cleans and degreases delicate precision mechanisms
- A unique 360° valve, allowing you to spray at any angle
- Penetrating actions removes oil, grease, dirt, flux and other contaminants
- Cleans and degreases delicate precision mechanisms
- Efficiently cleans plastics, electrical and electronic circuits
- Fast evaporating to leave a clean, dry surface

#### APPLICATIONS

A highly effective low odour degreasing agent used in the electrical and electronics industry. Solvex ECC has excellent material compatibility and quick drying nature makes it suitable for cleaning precision parts

- Connectors
- PCB's and Electronics
- Office equipment's
- Moulding
- Relays
- Contacts
- Precision equipment
- Controls

#### DIRECTIONS FOR USE

Hold the Solvex ECC can 15-20cm away and spray directly onto the surface to clean.

**DO NOT USE ON ENERGIZED ELECTRICAL EQUIPMENT IN OPERATION AND ALLOW SURFACE TO DRY BEFORE RESTARTING.**

## TECHNICAL DATA SHEET

### PHYSICAL PROPERTIES

Appearance:	Clear, colourless liquid
Odour:	Aliphatic hydrocarbon
SG @ 25°C:	0.729
Pressure @ 25°C:	2 Bar
Discharge rate:	3.1g/sec
KB Value:	< 35
Initial Boiling Point:	62 – 68
Freezing Point:	-20°C

### DANGER

Extremely flammable aerosol. Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May cause damage to organs. May cause respiratory irritation. May cause drowsiness or dizziness. Toxic to aquatic life with long lasting effects.

### FIRST AID

IF exposed or if you feel unwell: Call a POISON CENTER or doctor/physician.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF SWALLOWED: Rinse mouth. IF ON SKIN: Wash with plenty of water.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

### STORAGE

Store in a well-ventilated place. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F.

**WARRANTY** – All statements, information and data presented herein are believed to be accurate and reliable but are not to be taken as a guarantee, expressed or implied, for which seller assumes legal responsibility and they are offered solely for your consideration, investigation and verification. Statements or suggestions concerning possible use of this product are made without representation or warranty that any such use is free of patent infringement and are not recommendations to infringe on any patent.
